5 WAYS TO SAVE

on your home loan

Your home loan is one of the biggest debts you will have and that's why it's so important to save money any way you can. Below are some tips and tricks that may save you a lot of money over the life of your home loan.

KNOW YOUR CURRENT RATE

It is important to know what deal you are currently on so you can compare against the market.

COMPARE ALL FEATURES AND FEES

It is important to know all the facts with a home loan. One lender may offer a lower rate but charge additional fees. It's good to way up the whole deal.

MAKE EXTRA REPAYMENTS

Even an additional \$20 per week can make a big difference in the overall term of your loan and how much interest you pay.

PAY YOUR HOME LOAN WEEKLY OR FORTNIGHTLY

Paying weekly or fortnightly may save years off your home loan.

DEVELOP A STRONG RELATIONSHIP WITH YOUR BANK

Having all of your banking products with one institution may help with securing the best deal available.

Community Sponsorship

ACL CRICKET TEAM

ACL is a cricket club which plays in the Tasmanian Cricket League (TCL). The club is now fortunate enough to play at University Oval in Newnham after playing for several years at Brooks High School.

This season the club fielded 3 teams - men's Premier League and B-Reserve and a Female T20 boom. Under the guidance of club head Coach John Kedey and ladies team coach Scott Flanagan both B-Reserve and Female Boom sides played in preliminary finals. Premier League missed finals by the smallest of margins.

Heritage Isle Launceston Branch were this season a player sponsor for Ashley Batty. Ash came to ACL after playing most of his cricketing career with Westbury in the NTCA competition. Ash made his Premier League debut in round 1 this season and was a valued member of the side as a bowler - with his best figures of 5-45 coming in round 13 against Diggers at Hagley.

The club held its Best and Fairest count at the TRC hotel in February. This year the club asked both opposition Captains and umpires to complete a vote card which ranked the 3 players they considered to be the best that game.

This was a great year for the club and ACL looks forward to pushing forward for success in season 2018/19.

LES MISERABLES

The legendary Les Mis has swept through the month of March at Launceston's Princess Theatre, with 7500 attending this all-new production by Encore Theatre Company.

The positive feedback has been overwhelming,

and we'd like to share just a little with you below. The team will now enjoy a well-earned break before commencing work on their November 2018 production of the family classic, The Sound of Music. We'll look forward to seeing you there!

“ Absolutely LOVED Les Misérables. If I could list the entire cast and crew to say well done, I would! An amazing team effort. The pure joy of all involved was evident from the moment I purchased my program, the usher showed me my seat, the stage lit up and the music began to play. I am in awe of the talent and artistic direction I experienced last night. Signing up to attend EVERY show for the rest of my days.

Shannon, Devonport

“ Just home after seeing the show. Can't describe how I'm feeling - elated, sad, amazed - all at the same time. It was brilliant. Take a bow everyone.

Carolyn, Launceston

“ Congratulations on a fantastic job well done, it was an amazing show. I am here from Brisbane and will be back. The singing was amazing, and Tasmania has great talent just Awesome.

Chris, Brisbane

“ Being a Southerner I don't get up the dusty track to see all of Encore's shows but when I do it's always a genuine treat. Every aspect was outstanding - set, stage management, lighting, sound, music, vocal - and best of all, sublime performances by Brett Budgeon and Ross Marsden. I found myself in the finale musing how I could avoid returning to my Hobart commitment so I could stay and see it again!

David, Hobart

Welcome to the team...

Lara Howard

I have joined the team at Heritage from a hospitality background. I spent 2 years working at Pipers Brook Vineyard. There I obtained my full RSA and Barista licence.

I then moved to Country Club Casino organising functions. Outside of work you'll find me 4x4ing on the beach or spending time with my family. As I grew up in Smithton, Tasmania, I spend a lot of time travelling down the coast.

Chelsea Davis

My hobbies include social netball and dancing at Bee Bop Dance Studio, which I have done for the last 18 years and its has taken me to places such as the USA, Europe, Great Britain and Asia which has given me a love for travel. I previously worked as an apprentice chef

at Gray's Hotel in George Town so this is quite a change for me but I really am enjoying how different it is and the work environment. I am very excited for what else there is to come!

Sophie Davis

I previously worked at Young's Veggie Shed before coming to Heritage Isle. I enjoy a good coffee, exploring around on my days off with my camera, weekends playing football and wedding photography.
